

THE VILLAGE OF DOLGEVILLE

To: Village Board of Trustees

From: David Jaquay, DPW Superintendent

February 2025 Report

Work

Current

- Weekly Checks of Sewers
- Daily 811 Requests
- Checking Storm drains
- Continue cleaning Sewer Lines
- Weekly Metal Pick up
- Park Bench restoration
- Water Leaks throughout Village

Water/Sewer

- Water Service Repair-East Spofford-replaced curb stop.
- Water leak-S. Helmer Ave near intersection of Spofford Ave-Repaired.

- Spoke with Adirondack about their water leak to repair in the spring.
- Removed excess material from water leak site on South Helmer.
- Cleaned filter 1 at Water Treatment plant.
- Cleared snow at Water Treatment plant.
- Water disconnects 83 North Main for Demolition.
- Correlated North Helmer Ave looking for a water leak. Dug leak and removed from service.
- Doing rounds with Neal and learning about the Water plant.

Streets

- Salting Streets
- Plowing Snow
- Removing snow from troubled intersections.
- Removed snow from intersections.
- Gibson, Elm, North Helmer, part of South Helmer, Lamberson, VanBuren, Spencer, Howard, Parts of North and South Main St had snow removed.
- Shelled snowbanks throughout the village.
- Kept the snow dump pushed up and opened a new one.

Garage

- “09” Freightliner- Torqued the rear wheels post brake job. Replaced 2 leaking hydraulic lines and refilled fluid. It has a failing electric clutch- this controls hydraulic power. Keeping the truck empty of salt to prolong service life of the box. Truck needs replacement.
- 3500- check engine light is on from the Evap code.
- 12 Freightliner- had a radiator clamp failure, it was repaired and refilled.
- 550- We installed stop turn tail lamps in the upper part of the back of the box. Adjusted the salt chain. Keeping the truck empty of salt to protect the box and washed as much as possible.
- Roller- nothing new
- Loader- nothing new
- Leaf Picker- no new issues
- Sewer Jet- no new issues
- Skid Steer- New snowblower went back to bobcat for repair.
- Excavator- still needs bushings in the bucket, still has a random overheating issue.
- Monthly Fuel Tank Check and inspections
- Snowman- is out of service.
- Back Hoe- nothing new
- Army Truck/530- Still fighting electrical gremlins, we installed weather stripping on the driver door. We had a belt break and we replaced all

belt on motor. We had an electrical problem with the plow, repaired. Replaced Passenger side windshield wiper.

- Fuel tank Gauges- ok
- 60" Mower- no new issues
- Water cart- out of service for the season
- 71" mower-no new issues
- Garage cleaning is ongoing.
- Shared services with Manheim- they borrowed
- chipper- still out
- Manheim borrowed the lift and is still out.
- New tire machine- no issues
- New water issues found during heavy rains. Water is now entering back wall of Mechanics Bay. I believe this is due to landscaping at the new house at 5 Wolf St.
- Village Hall- Replaced the light on the second floor in the toy room, we picked up and arranged filing cabinets for Village Hall and 1 desk. Picked up a Copier and delivered.
- PD-600- was picked up.
- PD-601- had a check engine light on, was diagnosed and repaired.
- PD-603- repaired windshield wiper and door issue.
- We've been calling in potholes on the State Road.
- Called on Street Lights- They are with Maintenance and are scheduled for LED upgrades.
- Repaired heater exhaust at the back of the garage that was taken off by ice.

Parks

- Greenway Trail- open
- Plowe Park- Nothing new
- Center Park: Nothing new
- Little League Field- nothing new
- Beavers-Tricot- nothing new
- Beavers-Dolge Ave- nothing new
- Helterline Park- Nothing new
- Luther Park- Nothing New
- Keeping snow removed from parks

North Main St

- Snow Removal and keeping sidewalks clear

*Just a heads up, there is considerable amount of ice between Waste Water and Bever Brook- We are keeping a very close eye on the Creek from here to Stratford. We indevoured to check this weekly, when the weather warms up the cycle will increase.
