

THE VILLAGE OF DOLGEVILLE

To: Village Board of Trustees

From: David Jaquay, DPW Superintendent

March 2025 Report

Work

Current

- Weekly Checks of Sewers
- Daily 811 Requests
- Checking Storm drains
- Continue cleaning Sewer Lines
- Weekly Metal Pick up
- Park Bench restoration
- Water Leaks throughout Village

Water/Sewer

- Changed Chlorine Cylinder
- Cleared snow at Water plant and installed protection for Generator for ice.

- 12 Freightliner- greased and replaced grease fittings
- 550- Keeping the truck empty of salt to protect the box and washed as much as possible.
- Roller- nothing new
- Loader- nothing new
- Leaf Picker- no new issues
- Sewer Jet- no new issues
- Skid Steer- New snowblower impeller motor was replaced under warranty. The skid steer has a new hydraulic connection block.
- Excavator- still needs bushings in the bucket, still has a random overheating issue.
- Monthly Fuel Tank Check and inspections
- Back Hoe- nothing new
- Army Truck/530- no new issues
- Fuel tank Gauges- ok
- 60" Mower- tune up and oil change
- Water cart- out of service for the season
- 71" mower-no new issues
- John Deer Tractor-plugs, filters and oil changed in preparation for spring.
- F350- rear brakes, rotors and seals. Has a passenger door issue but we are working on it.
- Garage cleaning is ongoing.
- Shared services with Manheim- they borrowed chipper- still out
- Manheim borrowed the lift and is still out.
- New tire machine- no issues
- New water issues found during heavy rains. Water is now entering back wall of Mechanics Bay. I believe this is due to landscaping at the new house at 5 Wolf St.
- Cleaning and Organizing water and sewer rooms.

this weekly, when the weather warms up the cycle will increase. East Canada Creek ice has come down from Stratford and is currently at the time of this report, stuck at the end of Hopson Rd "Twin Bridges".
