

VILLAGE OF DOLGEVILLE

MAIN STREET SEWER IMPROVEMENTS

PUBLIC INFORMATION OPEN HOUSE

April 9, 2025

4 PM – 7PM

Dolgeville Community Center (Bassett Healthcare)

36 Slawson St, Dolgeville NY 13329

The Village of Dolgeville will host a public information open house on the Main Street Sewer Improvement Project.

Attendees can view project details, planned phasing, traffic detour routes and speak with design engineers, contractors and Village representatives who will be available to answer questions and address concerns about the project.

Project plans include rehabilitation and/or replacement of the main sanitary sewer and manholes along State Route 167 (North and South Main St.), North Helmer Ave., Elm St. and Baker St. as well as water and stormwater system replacement on North Main St. Construction will start in Spring of 2025.
