Garage

- “09” Freightliner- Picked up and no new issues.
- Keeping the truck empty of salt to prolong service life of the box. Truck needs replacement.
- 3500- check engine light is on from the Evap code, washed and greased. Removed side boards
- 12 Freightliner- greased and washed. Removed side boards.
- 550- Keeping the truck empty of salt to protect the box and washed as much as possible. Cleaned Salter and greased. Removed side boards.
- Roller- brought in an inspected
- Loader- nothing new
- Leaf Picker- no new issues
- Sewer Jet- no new issues
- Skid Steer- no new issues
- Excavator- still needs bushings in the bucket, still has a random overheating issue and it has been cleaned and greased. Removed final drive on the right track. New final drive has been ordered, PO filled out.
- Monthly Fuel Tank Check and inspections
- Back Hoe- nothing new
- Army Truck/530- no new issues
- Fuel tank Gauges- ok

- 60” Mower- no new issues
- Water cart- out of service for the season
- 71” mower-no new issues
