### Water/Sewer

- Checking storm before and after storms
- Met with Fire Chief about new hydrant location.
- Completed siding at Water Plant

- Lead and Copper at GPO-delivered curb stop and rod.
- Investigate water-State St- found service for the American Hotel. Disconnected and capped.
- Tested Green St Valves
- Water issue-Beaver St-Leaking on backside of curb stop. Homeowner hired someone and it was repaired.
- Mowed Water plant
- Bent curb stop complaint on Brighton Court-it was a bent valve for a forced sewer main.
- 27 W. State St- changed curb stop and did lead and copper.
- Picked up Water filter bags from 2024 filter cleanings and disposed.
- Plugged sewer N. Helmer-Jetted and flushed-resolved.
- Repaired hydrant test equipment
- Hydrant testing throughout village
- Located and flagged all curb stops on West State St.
- Mowed reservoir and water Plant
- Rebuilt a manhole on Spofford Square
- Filled void on Lamberson from an old hydrant repair
- Dig for Howard St- Storm drain rebuild-close to gas line.

- Storm drains on Fink St-rebuilt and reset the grade.
- Manhole at Rawlings set.
- Did all Water shut offs on 7/15/25.

## **Streets**

- Green waste picks up weekly
- Prep for sealing streets and sealed streets.
- Called to reserve Sweeper
- Milling of streets
- Put out uneven road signs and loose stone signs.
- Cleaned up Milled streets
- Put up stop sign on Elm St per request
- Cut back Helmer and Spofford corner.
- Picked up Sweeper and started sweeping
- Vacuumed out Manhole on Lamberson
- Reset storm drain on Howard

## **Garage**

- “09” Freightliner- repaired blown tail light, replaced step. Plows off
- Truck needs replacement.
- 3500- check engine light is on from the Evap code. Replaced battery
- 12 Freightliner- no new issues
- 550- no new issues
- Roller- brought in an inspected
- Loader- washed and greased
- Leaf Picker- no new issues
- Sewer Jet- no new issues
- Skid Steer- washed and greased
- Excavator-
- Monthly Fuel Tank Check and inspections
- Back Hoe- nothing new
- Army Truck/530- no new issues
- Fuel tank Gauges- ok
- 60” Mower- washed and greased
- Water cart- out of service for the season
- 71” mower-washed and greased

- F350- no new issues
- Garage cleaning is ongoing.
- Fixed door molding on main bay of Garage, along with servicing hinges.
- Shared services with Manheim- Chipper is back.
- Shared services with Manheim “Manpower”
- Manheim borrowed the lift and is still out.
- New tire machine- no issues

- New water issues found during heavy rains. Water is now entering back wall of Mechanics Bay. I believe this is due to landscaping at the new house at 5 Wolf St
- Cleaning and Organizing water and sewer rooms.
- Village Hall- adjusted back door, pulled carpet
- 602- oil change
- Trailer- no new issues
- Contacted FW Web about training of hydrants
- Rented a 30 Yard dumpster to clean up garage
- Trimmed trees growing behind garage
- Set up cooling station due to heat index
- Set up summer kid for work.
- Ordered trailer
- Removed decals from 603
- Shared service with Little Falls-Excavator- It is now back at garage.

## **Parks**

- Center Park- Put up playground sign, put up no animal sign
- Mowing of all parks weekly as needed.
- Mowed Trails
- Tree cleans up at Plowe Park
- Meeting with electricians about power replacement/upgrade to Plowe Park.

## **Main St Project**

- Found additional maps to aid in project
- Mowing N. Main St
- Camera when requested
- Delivered part when requested
- 811 digs at 17 Green St
- Called to Main St to look for a Water leak-unfounded
- Looked for curb stop around the Laundromat-found
- 

## **Tank Project- IDA**

- Tricot dig to find end of water loop.
