- Water Leaks throughout Village

## **Water/Sewer**

- Cleaned and exercised water valves throughout the Village.
- Water service separated on Irondale Rd
- Mowing done at the Water Plant and Reservoir.
- Fixed lawn and road edge at water plant
- North Main St- Tapping for the new line.
- Sewer complaint Dolge Ave-unfounded
- Supplied requested parts for North Main St project
- Water Leak-15 Spencer- broken on our side of the curb stop. Repaired and lead and copper paperwork done.
- Changed CL2 Cylinder
- Flushed Schuyler St sewer
- North Hudson Sewer- report of pipe sticking out of bank behind Green Acres. Investigated and found a sewer pipe. Spoke with North Hudson and they had already moved their line back. The pipe sticking out was an old line that they could not retrieve.
- Started putting up siding at the Water Plant.

## **Streets**

- Cold Patching throughout the Village
- Greenwaste throughout the Village
- Cleaned storm drains throughout the Village
- Tree Complaint on Stewart St- after looking at tax maps and pacing out footage. The tree appears to be on Burt St. Does the Village still own Burt St? Or has the property been sold?
- Checked on Street Sweeper Rental- J&J Contract Rental and Sunbelt Rental.
- Worked on paving totals for 2025
- Mowed road edges
- Met with JC Smith about Safety Equipment
- Confirmed Micro Paving (Sealing)- Was going to be Friday then Monday- Rained out both days. It will be completed as soon as the weather breaks.

- chipper- it is back and serviced.
- Manheim borrowed the lift and is still out.
- New tire machine- no issues

- New water issues found during heavy rains. Water is now entering the back wall of Mechanics Bay. I believe this is due to landscaping at the new house at 5 Wolf St- I believe we have some or most of the problem under control due to redirecting storm water on Wolf St.
- Cleaning and Organizing water and sewer rooms.
- Village Hall- Removed a large wooden cabinet out of the filing room. Required removal of handicap entry door.
- 602- Jumped on 6/9 and it received an oil change. Also, addressed rear brake squealing issues.
- 601- Checked Trans fluid due to complaint from SRO
- Trailer- no new issues
- Village Hall- Air Conditioning is now in.

## **Parks**

- Greenway Trail- The hole at the bridge was repaired on 6/9. Material removed and a pair of concrete slabs were put in place. New millings to cover. Mowed part of the trail.
- Plowe Park- Tree work awarded, awaiting start up project. Contacted National Grid about

taking down power wire and removing a guide wire.

- Center Park- Zip line was out of service for several days. Ordered a new wire for the Zipline and installed. Researching replacement wood chips for park. Contacted Rose Boyer to have the yearly inspection done as early as possible to address any issues in case Park Program starts up.
- Little League Field- Sewer connected
- Beavers-Tricot- keeping an eye on
- Beavers-Dolge Ave- no sightings
- Helter line Park- Removed the remains of tree stump to make way for new planting, leveled the area, removed the old paver walkway and roped off the area to prevent neighbors from parking. Top soiled and seeded and Hay Chaffed added.
- Luther Park- mowing and weedeating as needed.
- All Parks are being mowed and weedeated.
- Vets Park- Used the roller to remove tire ruts from Spring clean up. Took down the flag pole and painted and replaced the flag. We also painted the guns.
