

# THE VILLAGE OF DOLGEVILLE

To: Village Board of Trustees

From: David Jaquay, DPW Superintendent

January 2026 Report

## **Work**

### **Current**

- Weekly Checks of Sewers
- Daily 811 Requests
- Checking Storm drains
- Continue cleaning Sewer Lines
- Weekly Metal Pick up
- Water Leaks throughout Village

### **Water/Sewer**

- Camera- Elm St-nothing found
- Shared services-Little Falls-sent excavator (returned)
- Cleaned water treatment plant-twice removing snow from around the filters.

- Cleaned filter #6
- Met with Little Falls Water and toured building and observed their system.
- Observed Clearwell Cleaning and inspection at our Water Plant.
- Jetted storm drains on Dolge Ave and Second St.
- Jetted Sewer line from Arnold St to Green St.

## **Streets**

- Plowing, salting and snow removal
- Worked with DOT clearing and cleaning storm drains.
- Investigated and covered sink hole off of Slawson St (Beaver Brook)
- Cleared Storm damage post ice storms.
- Picking up Christmas Trees
- Installed a bump sign on Hemer Ave just below Gibson St.
- Clearing ice buildup on Helmer Ave
- Opened 156 South Main St in preparation for demolition.
- Scraped off excess ice on North Main St and Elm St.
- Main St decorations were put up and taken down.

## Garage

- “09” Freightliner- Greased, repaired radio electrical issue and repaired salter lights. The Truck needs replacement.
- 3500- check engine light is on from the Evap code. Washed, greased, new wing marker installed and replaced shoes on head plow.
- 12 Freightliner- Washed and greased
- 550- Washed, greased, tensioned salter chain, replaced salter chain and replaced cutting edge on the plow.
- Roller- nothing new
- Loader- discovered a crack in the windshield
- Leaf Picker-nothing new
- Sewer Jet- nothing new
- Skid Steer- installed a new door seal
- Excavator- nothing new
- Monthly Fuel Tank Check and inspections
- Back Hoe- found 2 pins not taking grease, worked with them and repaired problem.
- Army Truck/530- Washed
- Fuel tank Gauges- ok
- 60” Mower- nothing new
- Water cart- out of service for the season
- 71” mower- nothing new
- John Deer Tractor- nothing new
- F350-washed and greased

- Garage cleaning is ongoing.
- *Recent power outage revealed that emergency generator hookup does not include the heating system or the office, breakroom. Fuel pump requires a lead cord powered by an outlet. We should look into sourcing a standby generator for the garage.*
- Manheim borrowed the lift and is still out.
- New tire machine- no issues
- Cleaning and Organizing water and sewer rooms.
- 602- installed new water pump
- 603- sold
- Phones up and working, *fire alarm system still requires work.*
- Trailer- nothing new
- Village Hall-Roof?? Need update from the Office.
- Removed snow from Village Hall.
- New Salt spreader
- Per NYMIR inspection Flash Suppressors installed on torches.
- Library- Ice from roof broke a window, boarded and sealed window.

## **Parks**

- Center Park- kept driveway open and sourced pricing on fence for adult work out area.
- Trails- Barriers removed
- Plowe Park-decorations were put up, a Thank you to Carver for use of the light plant!
